SUBJECT:— Affairs of the Dharmarayaswami temple in Ulsoor pet, Bangalore City

LAST REFERENCE.

Letter No. 227 dated 31st August 19
from the Dy Commissioner
Bangalore District

To supervise the affair of the Dharmarayaswami temple, a Muzrai Institution in Ulsoor pet, Bangalore City the marginally noted persons were first appointed Dharmadarsis, under Notification No 187 dated 7th August 189 Subsequently Latterly, in 1896 one Pulla, was appointed in the room of Gunachar deceased.

Subsequently in
1899, one Munni Venkatappa
petitioned this Office praying
that he may be appointed
as one of the Dharmadarsees.
This petn was forwarded
to the D.C. Bangalore
District for disposal.
Again, in Sept. 1899, Yejaman
Subbarayappa petitioned this
Office representing that
owing to certain disagreements
amongst the Dharma darsis
of the temple, there would
be a riot in connection
with the Dasara festival
of that year. This was
forwarded to the D.C.
for enquiry & report.

Since

Since then, 2 other petitions which were received in 1900 from Subbrayappa one of the Dharmadarsis, complaining of certain irregularities in the management of the temple affairs, were also forwarded to the Dy Commr. for enquiry & report.

2. On the 29th Sept. 1900 the Dy Commr., Bangalore Dt. (Mr. B. Ki Venkatavaradiengar requested that the marginally noted persons may be appointed Dharmadarsis (probably in view to put an end to disputes amongst those already appointed and in view to the proper working of the temple's affairs). on the 9th February 1901,
all the persons recommended,
excepting the 1st Viz, Venkatagowda
who had since died, were
appointed Dharmadarsis,
Nanje Gowda, brother of the deceased
Venkatagowda having been
added on to the list (vide
Hosp. No. 873). One Ramappa
& others presented a petn.
complaining against the
Dharmadarsis, and this was
also sent to the Dy Commr
~~Dharwar~~ on the 16th June
1903 in favour of a detailed
report.

3. This being so, Subbarayappa
& certain others petitioned
the Hon'ble ~~the~~ Resident in
Mysore on 18th April 1903
complaining

Complaining about the mismanagement of the affairs of the temple. This petn has been forwarded to the Durbar from the Residency (communication no 2718) with a request that "the Resident "may be favoured with a "report as to whether the "service of the temple is "adequately conducted and "whether the money allotted "is honestly expended."

4. This petition having been forwarded, in continuation of the previous ones received in this office, to the Dy Commr for a detailed report upon

all the allegations contained in the petn. together with the information required by the Hon'ble Resident, that Officer has with his communication cited above submitted the records of the enquiry together with a detailed report.

5. From the records, it is observed that the temple is endowed with the marginally noted inam lands. Besides, 2 shops near the temple also belong to it. The lands in Hangasandra village & the 2 Sur: Nos in Sampigehalli are situated in the Bangalore Taluk. The whole inam village of Neelasandra & the 5 Sur: Nos in Dhokanahalli village are situated

situated within the C+M station limits. The latter are therefore not under the control of the Bangalore Taluk Amildar. As regards Neelasandra village in the C+M station, the Bangalore Taluk Amildar reports that a notice was issued ~~to~~ to Shanbhog Thimmappa to appear before him on the 6th August 1903 with all the accounts in his possession, but that he failed to appear thereupon a D.O. appears to have been sent to the Amildar of the C+M station directing the Shanbhogue with the

Khatas and Kirdies for the
last 5 years and in response
thereto, the Shanbhogue
appeared and in his statement
~~said~~ says that Khatas and
Kirdies ~~are~~ were not maintained
for Neelasandra, that the
collections were not remitted
to any public treasury, that
the moneys collected from
the raiyats ~~are~~ were handed over
to the Dharmadarsees but
~~that~~ no receipts ~~are~~ were taken
from them, that some Kuluvan
patties in which he had noted
down the amounts due
from each raiyat, were
taken possession of by the
Amildar of the Circle station

about a year ago, that the Jamabandi of Neelasandra is Rs 401-9-0 including Mohatarfa and that of Dookanahalli, Rs 107-3-0 and that he ~~could~~ could not say how much has actually been collected and how much is still in arrears.

6. As regards the lands in Hongasandra village in the Bangalore Taluk, the Amildar reports that for the past 15 years, they have been in the enjoyment of the then Dharmadarais, without the temple getting anything from them. He suggests that the entire assessment of the lands should be

recovered and credited to the funds of the temple. He further suggests that the arrears of past years should also be recovered from those who were enjoying the lands free. Next, as regards the Sur: Nos in the Sampigehalli village which are Deva daya inams, the Amildar reports that the Pujari of the temple in whose possession Sur: No 27 was, sold it in 1871 to one Sampamaigowda Nanjundappa, the other lands & the shops being in the enjoyment of the temple.

7. The complaint of the petitioners in their petn to the Honble Resident, is ~~in~~ mostly

in regard to the inam village and lands situate in the Cotta Station In this Petn. they ~~have~~ state that the expenses of the annual festival of the temple have to be mainly met from the Kandayam of the inam village & lands

8. The Dy Commr. reports that the Dharmakarsis themselves go to the Shambhogam of the village and receive the money paid by him & credit it to the temple funds & that with this amounts this regard ~~receipts~~, they conduct the affairs of the temple.

He reports that a sum of Rs 1009-14-0 has been shown in the temple accounts as the total receipts from the two villages for the year 1900-1901 & 1902-1903. In regard to the villages in the Chik station the D/ Comm.r repeats the Amildar's report and says that everything is in utter confusion. In regard to the lands in the Hongasandra village the D/ Comm.r reports that the Dharmadarsis have been enjoying them for the last 15 years. He states that the Amildar proposes either to continue the lands in their possession & to recover from

from them the Kandayam
for the past 6 years &
credit the same to the temple,
or to lease them out.

As regards Sur: No 27
in Sampigehalli village
which was sold in 1871,
the Dy Comm: reports
that the land which is
inam & recognized as such
in the Survey & Inam Settlement,
should be restored to
the temple in accordance
with clause 3 Para 11
of Notn No 266 of 17th Nov:
1877. He states that the
Amildar recommends
that in consideration of
the purchaser having

improved the land a-
heavy cost & constructed
Mantah & a well in it,
the land may be treated
under clause A, Para 11
of the said notn. The Dr
Commr states that tho' the
Rules do not permit this,
still it is a fit case for
consideration as to whether
the alienor or the new
nominee & office or the
Committee interested in
the matter should not, under
Govt Pro: No 1704/R 294 of 5th Jan 88
be called upon to make good
to the alienee the consideration
actually paid by him together
with reasonable compensation

for additional improvements effected by the alienee.

9. Besides the income as above, the Dy. Commr. reports that Kanikke estimated at Rs 250 per year on an average are paid by devotees on occasions of the annual car festival (Karaga) &c.

10. With regard to the Residency enquiry both the Amildar & the Dy Commr. report that daily and Special Puje and Utsavams are regularly conducted

and that the annual
Dodda (Karaga) festival
is also conducted in due
form every year.

11. In regard to the future
management of the temple
and its endowments, the
Exec. Comm. reports that
the Dharmadarsis appointed
in Notn. No 893 belonged
to 2 factions & that this factious
spirit contributed to
complaints. Of those
already appointed, 3 are
reported to have died
and the Exec. Comm. recommends* that the
marginally noted 3 persons
may be appointed Dharmadarsis.

12. The Exec. Comm. further
states

states that the total annual income from all sources amounts to Rs 925 and he states that the Amildar's proposal to appoint a Gumasta on Rs 10 per month to keep regular accounts & to look after the other works of the temple under the Amildar's orders, are desirable.

Note continued :—

The two drafts – one letter to the Residency and the other order to the D.C. Bangalore District – ~~were issued~~ approved by the Dewan, were issued. In the order No. 2854 of 14th March 1902, further detailed investigation into the question of the alienation of the inam lands attached to the temple, was directed, the opinion of a P.W.D. Officer ~~was called for~~ regarding the stability of the foundation of the Mahadwara was called for, a thorough scrutiny and examination of the accounts of the past 10 years was ordered, and lastly, as the last year's Karaga was close at hand, the D.C. was requested to authorize Nanje Gowda – one of the Dharmadarsis – to collect the usual rents, Kanikes &c in accordance with manual and to utilize the same towards the usual expenditure in the temple during the Karaga festival. It was also directed that Nanje Gowda should be held solely responsible to conduct the festival & to render account of receipts & expenditure.

Cp 7.

4.3.1902

In the letter to the Residency, the facts of

the case narrated in the preceding pages of the Office note, were communicated and it was therein requested that needful instructions might be issued to the Amildar of the C.H.M. station to give all facilities to Nanje Gowda & collect the Kandayam &c on the inam lands situated in the C.H.M. station.

Nanje Gowda and Subbayappa were also separately informed of the foregoing orders.

The Hon'ble the President forwarded* for information a copy (*vide slip 9 of the C.H.M. station Collector's letter No 1234 of 23rd May 1901 stating that arrangements had been made by him to render all possible assistance to Nanje Gowda in the matter of collecting the revenue due to the Temple by the ryots of the Inam Village in the C.H.M. station.

The further report called for from the Dy Commr in the Govt. order of the 11th March 1901 referred to above having not been received, a reminder was sent on the 22nd June 1901, calling for the same.

Meanwhile, Yejaman Subbayappa & others petitioned* H.H. the Maharaja representing the irregularities on the part of Nanje Gowda & Chikka Gowda and brought to notice that when this

the Dy Commr recommended certain persons to be appointed Dharmadarsis, the Govt issued orders that Nanje Gowda should alone collect the income & conduct the festival & render accounts. They also enclosed a copy of the deposition of Chikke Gowda & Venkate Gowda which went to prove that Nanje Gowda was in the enjoyment of the temple inam lands without paying Kandayam therefor. They prayed for the appointment of Dharmadarsis.

This petn having been ~~was~~ transferred to this office for report*, it was referred to the Dy Commr for report forthwith. Another reminder & a D.O. was also written requesting that officer to expedite the submission of the report.

The Dy Commr has now submitted the records of the further enquiry instituted by him the Taluk Amildar in the matter, and a detailed report* (in type). As regards the receipts & expenditure of the funds of the institn, he is of opinion that nothing reliable can be made out of the available unsatisfactory accounts and out of the conflicting depositions made by the Dharmadarsis. The Shanbhogue of the temple shows in his accounts as balance of Rs 2397-4-11 outstanding against the Dharmad...

& others. In this matter he reports that the Amildar who has been directed to attend to the entire management will be asked to institute a searching enquiry & to submit a detailed report The Dy Commr enumerates the endowments of the inst^n and suggests that the inam lands in the C Hm station should be taken under the direct management of the Station Amilda regular accounts being maintained & the income remitted to the Amildar of the Bangalore Taluk and that survey & Settlement should be introduced into the C Hm station inam lands. The lands in Jougasandra village, Bangalore Taluk are stated to be in the enjoyment of Subbayappa, Nanje Gowda Doddappa & Erappa reddi, and as these people are stated to be willing to make over the lands to the temple, the Dy Commr suggests that they might be leased out for Kandayam to the highest bidder. In regards the lands in Lampighalli near the temple they are stated to have been alienated & that as the alienee has built a mantap & sunk a well for the benefit of travellers at a considerable cost & no benefit can accrue to the temple, it is suggested that they may be left undisturbed, a Mutchalika being obtained from the alienee binding him not to appropriate it for his personal use. In regard to the management

management of the institution, the Dy Comm^r states that the want of proper management is mostly due to the factious spirit among the Dharmadarsis. He refers to his recommendation made in his previous letter No. 227 dy 29th August 190: and is of opinion that if the headmen of these parties be appointed Dharmadarsis there will not be much scope for introducing their factious spirit into the temple management

The Dy Comm^r proposes that a Mukhadi should be appointed to look after the income to the temple in the shape of Kanikes &c, a sealed (Dock 8) box being kept for the purpose, the receptacles examined in the Taluk Office and the same brought to account. The Mahadwara construction is said to have been undertaken out of fees collected and the Dy Comm^r states that the question of the stability of its foundation will be referred to the Executive Engineer of the Bangalore Division for opinion.

As to the management of the temple during the ensuing Karaga festival, the Dy Comm^r submits the proposals of the Asst Dar

& authorise 5 persons — 3 Dharmadarsis viz Subbarayappa, Nanje Gowda, Munisami and 2 prominent Nejans Eraappa Gowda & Duddappa — to conduct the affairs conjointly under the direct supervision of the Taluk Amildar. The Dy Comm^r however does not give his own opinion in the matter.

The five persons at first recommended (slip J) by the Dy Comm^r (Mr W H. Sparkes) in his letter No 227 of 31st August 05 are :—

1. Subbarayappa, 2 Ganachara da Papanna,
3. Nanjappa Gowda, 4 Patel Nanje Gowda
& 5. Munivenkatappa.

In this case His Highness the Maharaja (slip K) has called for a report.

Puzrai Secretary's Remarks:-

The Deputy Co

was received in this case a few days a

Official and Demi Official reminders.

that a thorough enquiry on all the poi

this temple has been made by the Amild

Taluk and that arrangements have been

by way of Kanikes etc, being brought to account, for the regular maintenance of accounts in the temple and their monthly submission to the Amildar, who has also obtained mutchalikas from the Dharmadarsis who have been enjoying the temple lands unauthorizedly to make them over to the management of the Government.

As regards the village of Neelasandra and the lands in Dhobkanahalli, which are situated in the C. & M. Station of Bangalore, the Deputy Commissioner recommends that the Revenue collections therefrom may be made by the Amildar of that Station and paid over to the Amildar of the Bangalore Taluk. On this point it seems preferable to direct that the revenues of those villages also should be collected by the Bangalore Taluk Amildar on behalf of the temple so that all the income from the temple endowments may be collected by one agency.

The interference of Government Agency in collecting the revenue from the lands whether situated in Mysore Territory or in C. & M. Station has been necessitated by the fact that Dharmadarsis who were formerly collecting them did not maintain regular accounts hitherto and there is such factious spirit among them, that it is impossible to entrust the work to them without giving room to complaints.

I have submitted a draft order to the Deputy Commissioner of Bangalore touching all the points connected with this institution.

A memorial addressed to H.H.the Maharaja by Subbarayappa one of the Dharmadarsis and others of his faction has been received in this Office for report. Another petition addressed by the same persons to the Hon'ble the Resident in Mysore has also been received. With it a letter from the Collector of the C. & M. Station is forwarded, in which it is suggested that the Amildars of the Bangalore Taluk and of the C. & M. Station be appointed jointly to make a full enquiry into the various matters connected with the temple, and the Hon'ble the Resident requests to be favoured with the views of the Durbar. As, however, a thorough enquiry has already been made by the ~~Amildars~~ Amildar, Bangalore Taluk, it is perhaps unnecessary to start a fresh enquiry. Further, I beg very respectfully to point out that the temple and several of its lands are situated in the City, its devotees are mostly inhabitants of the City and the important Karaga festival and Rathotsava are celebrated in the City, and all its affairs have to be managed by the City authorities, the only thing to be done in the C. & M. Station is the collection of revenue from one village and some minor lands in another

village situated there. And in that behalf alone the kind help of the C. & M. Station authorities is required The Hon'ble the Resident may therefore be requested to permit the Bangalore Taluk Amildar to collect the revenue of those villages on behalf of the temple and to instruct the Station Amildar to direct the Shanbhogues of the two villages to prepare and furnish to the Bangalore Taluk Amildar all the accounts required by him as has already been requested in this Office letter No. dated 14th March 1904.

A draft reply to the Residency is submitted for approval.

Note continued:—

The draft approved by the Dewan was issued in Govt. Pro. No. 36230 of 18th April 1905, passing orders on the subject of the mismanagement of the affairs of the Dharmaraja Swamy temple. (A printed copy of the order is put up). A copy of this order was sent for the Hon'ble the Resident's information under cover of letter No. 3631 of 18th April 1905 and in regard to the collection of the revenues of the temple inam lands in the C & M station, it was suggested that if the Hon'ble the Resident had no objection, the Amildar of the Bangalore Taluk may be entrusted with the work.

The Hon'ble the Resident states in his letter No. 2490 of 3rd May 1905 that the Shanbhogue of the inam villages in the C & M station has not maintained proper accounts, that the D.C.B. accounts of 1903 on are very unsatisfactory, that the collections for the year 1903 on were made by Nanje Gowda & that in consequence of the irregularities on the part of these two men

the permanent Shambhogue has been ordered
to name a suitable substitute, the present
Shambhogue Gumasta being removed from
service. The accounts for 1901-05 are not
also, it is stated, maintained.
It is also stated that the Hon'ble the Resident has no objection
~~The Resident is stated to have no objection~~
to the Bangalore Taluk Amildar collecting the
rents from the temple inam lands in the Civil Station

Draft may be approved. In the draft it was stated that the Amildar should take over the management of the villages but the Residency letters restricts his powers to collection of rents from lands belonging to the temples. 2/6/05

It is explained in the draft that the Amildar of the Bangalore Taluk should take over the management of the villages in the C & M Station and proceed with the collection work as representing the Inamdar temple and in the place of the Shanumadasis. But to avoid any doubt in the

meaning I have made a slight

The Sri Dharmarayaswami temple in the Bangalore City is a Muzrai Institution endowed with two Inam villages in the Bangalore Taluk and with two other Inam villages in the Civil & Military Station limits of Bangalore.

Yejaman Subbarayappa, one of the Dharmadarsees of the temple and certain -- others memorialized His Highness the Maharaja complaining of certain irregularities and mismanagement of the inam endowments of the institution on the part of the other Dharmadarsees thereof. That Memorial was transferred to the Muzrai Department for report with the Private Secretary's Memo No. 1301, dated 21st December 1904. That Memorial was referred to the Deputy Commissioner of Bangalore for report in continuation of the previous petitions and orders in the matter which formed the subject of correspondence ever since 1903 were issued. The irregularities complained of and the action taken thereon

Sir,

With reference to your dockets No 2, noted in the margin, forwarding for reports, petitions from Subrayabha, Complaining the mismanagement of the affairs of the Dharmarayaswami Temple in the Bangalore City, I have the honor to state that the temple is a Mysore Institution which

No 1 dated 2nd January 1860
387 dated 19th September 1860
& 1757 dated 23rd June 1860

Which is endowed with the Inam village of Heelasandra and 5 Survey Nos of Dhorkanahalli both situated in the Civil and Military Station and also the Inam lands in the Hongasandra and Sanjeshalli village situated in the Bangalore Taluk.

These are situated in the Civil and Military Station

These are situated in the Bangalore Taluk

Survey 27 and Sub No 3

2. Particulars of the Inam lands are shown in the margin. This institution has no ready money fund. The management of the two villages that are situated in the Civil and Military Station are not under the control of the Amildar of Bangalore.

3. The Dharmadarsees themselves go to the Shanbhogue of the villages and receive the money paid by the Shanbhog and credit it to the temple funds. With this receipt they conduct the affairs of the temple. At Inam

of Rs 1009-14-4 has been shown in the the temple accounts, as the total receipt from these two villages for the year 1901-1902 to 1902-1903. Notice was issued by the Amildar of the Bangalore Taluk to the Shanbhog to appear and furnish details of these receipts. He refused to accept the notice on the ground that it was not served through the Amildar of the Civil and Military Station. It is therefore clear that the Amildar of the Bangalore Taluk can not have sufficient control over the management of these villages on behalf of the temple unless steps are taken in consultation with the Civil and Military Station authorities to place these villages under the management of the Amildar of the Bangalore Taluk. Again,

on the 6th August 1903, a notice was issued to the Shanbhog to appear before the Amildar with all the accounts, but he failed to appear on the date of hearing, although notice was personally served on him. The Amildar then wrote a D. O letter to the Amildar, Civil and Military Station to send the Shanbhogue with Katte and Kirdies for the last 5 years. The Shanbhogue appeared on the 12th August 1903, and stated that no Katte and Kirdies are kept and that the collections are not remitted to any Public Treasury, but paid to the Dharmadarsees. It cannot therefore be stated accurately how much has actually been collected and how much is still

still in arrears. The enclosed English report from the Amildar shows that even receipts for paying the so called collections to the Dharmadarsees are not taken and that everything is in utter confusion. With regard to the lands in the village of Hangasandra, the Dharmadarsees are enjoying them for the last 15 years, without paying anything to the temple. These lands are Devadaya Inam lands. The Amildar proposes either to allow these Inam lands in the possession of the persons enjoying them so that the full amount of Kandayam recovered from them for the past 5 years might be handed over to the temple or to lease them out. With regard to S.No 27 in Samiz shalli, it was sold to Sankamayya in the

the Year 1871. There is also produced another deed relating to its alienation bearing date 1866 and the holder of the document is also the same individual. It has been established in the Survey and Inam settlements that this is an inam attached to the temple. This has to be restored to the temple in accordance with class B of para II of Government Notification No. 266 dated 17th November 1877. The Assistant recommends that in consideration of the purchaser having improved the land at a heavy cost and constructed a mantap and well in it, the land may be treated under Clause A para II of the said notification. The rules do not permit this. This is however

a fit case for consideration as to whether the alienor or the new nominee to office or the Committee interested in the institution should not under Government proceedings No 7704 / R294 of 5th January 1882, be called upto make good to the alienee the consideration actually paid by him together with reasonable compensation for additional improvements effected by the alienee. Besides the income from the above properties, Rs 250/ per year on an average was paid by devotees (generally of the Vegalar caste) on occasions of the annual Car festival, &c.

4. Daily and Special pujas and Utsavams are regularly conducted and

And the annual Karaga festival is also conducted in due form every year.

To manage the affairs of the temple, the marginally noted persons were appointed in Government Notification No 873 dated 9th February 1901, as Dharmadarsis. Of these 1, 2, & 4 were of one party and 3 and 5 from another party. This factitious spirit has very much contributed to the receipt of Complaint petitions. Of these five 1, 2 and 5 have since died and the Amildar recommends that the persons noted in the margin may be appointed in their stead.

As detailed in the Auditor's report

6. It is proposed by the Auditor that a Gumasta on Rs 10/ per month to keep regular accounts and to look to the other work of the Temple under the Auditor's orders may be employed. Under the special circumstances above referred to, I consider this desirable

Letter No $\frac{227}{287}$ dated 12th September 1903, from the Dy Commr, Bangalore District, regarding the objections of the Nanjundayya Swami temple in the Bangalore City.

Order :—

D 2854 En 2 files Dy/14.3.1904
Mus. F: 1-99

From the letter it is observed that the temple, though not endowed with any cash Sanads, is in the enjoyment of extensive Inam lands both in the Mysore State and in the Civil

Civil and military
station, Bangalore,
besides possessing two
shops and getting large
income in the shape of
Kanikes from the devotees.
The total annual income
from all these sources
is estimated at Rs (1000)
nearly, but no accounts
seem to be rendered to
the Taluk by the Dharmad-
-darsees every month,
although the temple is
a Sarvajanik Institution.
The Shirastar of the Bangalore
Taluk should be called
upon to explain why the
submission of accounts by the
Dharmadarsees of this temple
was not insisted upon,
as is done in the case of other important-

Sarvajanik

Muzrai Institutions.- ~~to this Office, as to why~~ the monthly accounts were not insisted upon being sent to him in the case of this temple, as in the case of any other Muzrai Institution in ~~the Taluk~~.

2. Of the Inam lands endowed to the Institution, the Nelsumudra village and a few numbers in Dhaparankulli, are reported to be in the Civil and Military Station, and some minor Inams are said to be in the villages of Hungasandra and Sampigekulli in the Bangalore Taluk.

3. As regards the Inam

2) in the Civil and military
li-station, it is brought-
to notice that the Shanbhogues
or of the villages in question
the have not maintained khatis
or accounts and that
in it is stated by him on
by the Amildar of the Bangalore Taluk
enquiry that the collections
from the lands were every
now and then paid by
him to the Dharmadarsees,
and that he never obtained
receipts from them for
the amounts so paid, nor did he
at any time ~~omitted~~ remit
the collections to the Treasury —
This omission on the
part of the Shanbhogue
will be separately dealt with,
in communication with
the Hon'ble the British Resident.
In the meanwhile, ~~I have~~

~~to request that you will~~
the D'Court is requested
~~to request~~ to instruct
the Amildar of the
Taluk to enquire from the
Dharmadarsis, if
at least have maintained
any accounts as regards
the receipts from these
villages -

4. Regarding the lands
situated in the Bangalore
Taluk, some are said
to be in the Hongasandra
village and the others
in the Lingarajakalle
village, ~~these~~ the former
being exclusively enjoyed
by the Dharmadarsis,
and the latter by the
shanbogs, Toppanna and
Lingannagowda, to whom

they appear to have been
alienated by the Enjarees
Gnanasami, Balachha and
Abhimanyuka, subsequent-
to 1865. Who are the persons
are
Bhaumadarsees that-
are actually enjoying the
lands in Hungasamudra,
and on what authority.
Why they have been enjoying
them, which belong to the temple,
and what they have to
say in the matter of their
resumption to the institution,
and the right that are
now being claimed.

5.ª As regards the
alienation of the lands
in the Ennigalli village
by the Enjarees, it must
be ascertained whether the alienees or their heirs
are willing to restore
them to the temple
of their own accord
alienees are acting actually
in terms with the orders of Enjarees
in this behalf, and

and if so, what they say in the matter of redeeming the alienated lands and why they should not be punished in some shape or other for having alienated the Devadaya lands. ~~belonging to the temple~~ on receipt of a reply on these points, the question of alienation and of revising the list of Dharmadarsees if necessary, will be disposed of in due course

X.6 A piece of land near the Hulsur Gate Police station is it is learnt in the possession of the temple, and a small rent is stated to be

collected every year -

But ~~his~~ no

mention of this is made

in the Accounts letter.

~~But you will kindly~~

The Accounts is requested to

enquire into this point also

and report how the

rent levied thereon, as

well as the rent collected

from the two shops, are being

spent, and whether proper

accounts are maintained

therefor -

8. When the undersigned inspected the

temple on the 21st September

in company with the

Amildar of the Bangalore

Taluk, all the Dharmadarsis

were present, and it appeared

that there were two factions

among themselves - Each

party complained that -

the other collected Kanikas
&c from the devotees
and utilized them for
their own use - what-
amounts and by whom
they were so collected for
the last 10 years, and
how they accounted for
~~such~~ the expenditure
if they had incurred
any, & whether proper, ~~and~~
knowns and the present
enquiry by the Minister does not seem
to have been made on it
point. Steps should
now be taken to scrutinize
this account also —
At the time of inspection
of it was also observed
that one of the ~~trustees~~
functions of the Dharmadarsees had
undertaken to Construct
a tower on the Gurbandhanam

and whether they have
instituted proper accounts
on the Kanikas &c made,
is not

(6) (10)

the of the temple, by means
al of subscriptions from
or the devotees. It is no
A doubt a laudable object
to to improve the temple and
of its appearance, but
a they should have obtained
t. the previous sanction of
to Govt, before they undertook
H the work, and professional
e opinion should have
on the point as to
been consulted, whether
e the existing foundations

Could bear the weight
of a strong tower. The Mahomedanuses should be informed of this remark, and

~~I am to request that you~~
~~will kindly obtain the~~
the an experienced
opinion of the D. P. W. Officer obtained
on this point, and also
~~ask~~ requested the Auditor to examine
the Accounts of the Dharm.

in regard to these subscriptions

9. The Auditor should be given full and clear instructions that, in making enquiries and submitting his reports in regard to this temple, he should examine the accounts of receipts from all sources for the last 10 years and the expenditure of the corresponding years as well, and after scrutiny known by means of vouchers or other evidence, report clearly the shortcoming if any, as well as the names of the Dharmakarsas or others

temple servants that are responsible for the same —

10. Final orders on all the points noted above will be issued on receipt of detailed information from the Dy Commr. In the meanwhile, as the "Karaga" festival of this year is fast approaching (that is, on the 31st March 1904) ~~(time being and ~~to see the~~ ~~to do more~~)~~, the Dy Commr is requested to authorise at once Ranga Swamy (brother of the deceased Venkata Swamy), who is one of the existing Dharmakartas, to collect the usual gifts, Kanikas &c

in accordance with manner

and utilize them towards usual the expenditure in the temple during the Karaga festival of the current year. It should at the same time be required to render to the Taluk Auditor accounts of receipts and expenditure during the festivities, after the festivities are over. The Hon'ble the Resident has also been requested to issue necessary instructions to the Auditor of the Civil and Military Station to facilitate the collection.

The Solely responsible to conduct the festival in due form in strict accordance with manner and should also be

2. I am now to request you to be so good as to submit a further fuller report in the matter of the alienation of

the main lands of the institution, and of the appointment of Dharmadarsis to supervise its affairs. As the next Karaga festival is fast approaching and as the collection of the rental rents and Kanikes as per manual for the purpose of utilization on the occasion has to be commenced early, I am to request the favour of a detailed report together with your opinion to set aside the irregularities often complained of, before the end of January 1905 to enable Govt. to pass final orders in the matter.

Sir,

With reference to Government Order No.2854/Muz.F.1-99 dated 14th March 1904,and your letter No.2386 of the 7th Janu -ary 1905, regarding the affairs of Dharmarayaswami Temple in the Bangalore City,I have the honor to state as follows:-

2. The Temple affairs were being attended to by the head -men of the different sections of the Tigalar votaries of tem -ple who appeared to have formed the self constituted Dharma- darsees of the temple and taken its management into their own hands. Though the institution is a regular Muzrai one with ex -clusive Inams, no accounts were being submitted by the Dharma darsees to Government.

3. As regards the receipts and disbursements of the funds while in the management of the Dharmadarsees,no satisfactory ac- -counts are available. Neither from the account books produced by them where there are no methodical entries and the striking of balance,nor from the conflicting oral statements made by them before the Amildar of the Bangalore Taluk can anything reliable be made out. But on enquiry it was learnt that the temple accounts were being kept by the shanbogue (mutsaddi) appointed for the pur- -pose by the managers on commission system. In the bakipattti -- produced by him, a balance of Rs.2397/4/11 is shown by him in

Letter No. 585, dated the 9th March 1905, from the Collector, Civil and Military Station, Bangalore, to the First Assistant to the Hon'ble the Resident in Mysore.

In returning herewith the petition of Yejman Subrayappa and other devotees of the temple of Dharmarayaswamy in the Bangalore City, forwarded with your letter No. 1069, dated 21st ultimo for a report on the allegations of the petitioners concerning the mis-management of the Inam villages belonging to the temple, I have the honour to report as follows:-

2. The only endowment in the Civil and Military Station to the temple of Dharmarayaswamy (which is situated in the City) is the Inam village of Nilsandra and some lands in Dukanhalli. There is no doubt that at present these Inams are greatly mis-managed by the Managers or the so-called Dharmadarsees of the temple among whom moreover there appears to be two rival factions. As stated in my letter No. 163, dated 19th January 1905 on the subject of the introduction of a revenue settlement into Nilsandra, there are at present three Dharmadarsees. One of these Nanje Gowda apparently keeps the entire management of the village in his own hands and in this he is said to be aided by the village Shanbogue. Several complaints have been received in this office from the village ryots and others complaining of mis-appropriation of temple funds and mis-management of the Inam by Nanje Gowda.

3. The petitioners complain against the appointment of Nanje Gowda to collect the revenues &c of the Inam village. This appointment was made not by the Collector of the Station but by the Mysore Government in the Muzrai Department with whom rests the entire control of the affairs of the temple.

4. I may here mention that the proposed introduction of a revenue settlement into the Inam village having since been sanctioned, it is hoped that the various irregularities now complained of will be put a stop to. But, as these irregularities are not confined to the mis management of a single Inam belonging to the temple, I would suggest for the Hon'ble the Resident's consideration that in the interests of the temple and its endowments, the Amildars of the Bangalore Ta

nd of the Civil and Military Station be appointed jointly to make full enquiry into the various matters connected therewith and ubmit their report as soon as possible. This I think will enable he Authorities concerned to decide on the best means possible for lacing the management of the temple affairs on a satisfactory basis.

The petitioners finally request that the work of collection of evenue of Nilagandra for the ensuing year may be undertaken by the tation revenue Authorities. This however is [illegible] for the decision f the Resident in consultation with the Durbar. I have no power to omply with the petitioners' request.

The points observed

in the proceedings read above and on which detailed information was called for, were regarding

(i) the non-submission of the annually audited Accounts of this Institution to the Board by the Dharmadarsis;

(ii) ~~regarding~~ the maintenance or otherwise of proper accounts for the collections from the Inam lands situated in the Civil & Military Station;

(iii) the unauthorised by the Dharmadarsis, enjoyment of the Inam lands in the Hongasandra village Bangalore

Bangalore Taluk;

(iv) the alienation of the lands in the Sampigehalli village of the same Taluk.

(v) the utilization of the monies collected on a piece of land and two shops attached to the temple in the Bangalore city and of the monies the same from the donations of the past 10 years;

& (vi) the construction of a tower on the gopuram of the temple undertaken by the devotees without the sanction of law.

2. As regards the first-

first point, the Auditor explains that, as there were no important Muzrai Institutions in the Bangalore Taluk, it was not usual to get the monthly accounts of the Muzrai Institutions in this Taluk for check in his Office - This explanation is very unsatisfactory. The Auditor should be directed to insist in future upon the punctual submission to his office of the monthly accounts from all the Muzrai Institutions situated in his Taluk.

3. As regards the second point, the Dy Comm's reports that the income from the properties

* The entire village of Nellasundra & some lands in Shoolamahalli

* properties situated in the civil & military Station cannot be ascertained from the Accounts; but the managers (Dhurmakurtas) are reported to have been receiving what was paid by the Shanbhogue of the village; and that no accounts are maintained on either side. ~~I am grieved to~~ The negligence on the part of the Shanbhogue in this respect has already been brought to the notice of the Hon'ble the Resident, who was requested to give

necessary instructions to the Amildar of the Civil & military station to obtain the accounts of the temple villages from the Shanbhogue and forward them to the Amildar of the Bangalore Taluk for ~~examination~~ careful scrutiny. The Collector of the Civil Station states in his letter No 1234 dated 3rd May 1904 to the First Asst to the Hon'ble the Resident that necessary instructions were issued to the Station Amildar to see to the early submission of these accounts

---

The Hon'ble the Resident will again be addressed on this subject.

4. In regard to the third point, it is reported that 8 survey nos in the Honnenahalli village of the Bangalore Taluk have been in the unauthorised enjoyment of the Dharmadarsis - Subbarayappa & Ranganayakamma

two private individuals viz
and ~~one~~ Gurappa Reddy
and Lakshmayya - As
the Dy Comrs reports
that all of them are
now willing to deliver
those lands to the Govt
he is requested to take
immediate possession
of ~~those lands~~ them and
lease them out for
Kandayam to the highest
bidders. ~~and report~~

The question of recovering
from the persons concerned
the assessment on those
lands for the period
of their enjoyment will

receipt of information
from the Dy Comrs

as to the period of enjoyment-
by each ~~to~~ individual
and the amount- that-
will have to be recovered
from him ~~as suggested~~
~~by the Dy Commr~~ u.

5. As regards the
fourth point, it is
reported that, of the
two Survey nos viz
3 and 27, No 27 measuring
12 guntas and assessed
at Rs 2-8-u has been
alienated to one Sampathayya
Ranjandappa, the alienors
being grandsons, Brahmappa
the late
and Abbinnayya, ~~a~~ Pujaris
of the temple. Of these three,
only the last is reported
to be surviving and he

is no longer a prisoner,
having been removed
from the Office, ~~living~~
on account of leprosy,
~~being a leper~~. The
present ~~owner~~ alienee is said
to be one Dorcas grandson of the
original
grandson of the alienee,
and it is reported
that a mantup ~~is~~ has been built
and a well sunk in
this land at the cost
of the alienee for the
benefit of ~~the~~ travellers.
The Dy Comr recommends
that ~~=~~ the descendants
of the alienee's heirs
no sufficient means
to redeem the lands
back to the temple, and
in view ~~of~~ the fact that
the

the site is a small one,
improved at considerable
private cost for Charitable
purposes ~~and for~~ and
~~which~~ no appreciable
benefit can accrue
therefrom
to the temple, the present
owner may be kept undisturbed
obtaining from him
a proper undertaking
him not to appropriate
the land for any personal
use - This recommendation
is approved -

6 As regards the
fifth point viz the
utilization of the vacant
land on the playground
and the shops attached
to the temple and of

the

the kanikes collected from devotees, the Dy Comr reports that these amounts were brought to account & credited to the temple funds - no orders are therefore called for on this point.

7. As regards the receipts and disbursement of the temple funds, however it is reported that no satisfactory accounts for the previous 2yrs are available; that the Bhoga Patti produced by the Shambhoga of the temple shows a balance of Rs (2397-4-11 in

in favour of the Trustees but outstanding against the Shamanadurgam and others; and how the Amildar of the Bangalore Taluk will be made to institute a searching enquiry and submit a detailed report as to the circumstances of disturbance. ~~Shown against the Shamanadurgam.~~

~~This point is proceeded with the observation that~~ Immediate enquiry should be made on this point, and a detailed report ~~should be submitted~~ at an early date.

8. With regard to the sixth point, it is reported that no

No subscriptions are being raised now for the construction of the Gopuram or tower. The Dy Comr promises to make a reference to the Ex: Engineer, Bangalore Division to give his opinion as regards the strength of the present foundation. His further report is awaited.

9. The Dy Comr's suggestion to keep in future a Kanike Pedde in the temple for devotees to put their donations in, and to have its contents examined & credited to the temple funds

by the Taluk authorities once a week, is also approved. From the Auditor's report to the Dy Comrs it is observed that proper arrangements have been made by him to maintain regular accounts in the temple in future and that a separate blank book with the Taluk seal has been given to the Dharmakartas for entering the collections made by them. These arrangements are approved.

10. As to the management of the temple affairs during the ensuing

Jathra

Jakka it is proposed
that three of the
existing Dharmadarsis
viz Subbarayappa,
Ninja Gowda and
Ramiah and two
prominent Lingayats,
viz, Patel Eranna Gowda
and Devendrappa may
be entrusted to conduct
the affairs conjointly
under the direct
supervision of the
Taluk Amildar.
This proposal is also
accepted. The Dy
Comr is at the same
time requested to report
why the last two
persons should not
be

be formally appointed
as additional Dharmadarsis
considering local ties
are reported to be prominent
Zaigulars, taking interest
in the temple affairs.

11. As regards
the collection of the
rents due for the current
and previous years
from the Melsanthis
and Dharkhastdars
villages situated
in the C & M station
the Assistant of the
Bangalore Taluk should
at once be directed

The Hon'ble the Resident has been addressed with the view of the necessary help being given by the C & R Revenue Authorities and his reply will be intimated to the Dy Comr, as soon as it is received.

12. With regard to the Dy Comr's Suggestion

with the collection work, as representing the Dharmadar Tehsildar and in the place of the Dharmadars who were hitherto making the collections. His decision in the matter must be awaited.

that the future management of these villages might be left in the hands of the Amildar of the Cavel station, who may be requested through the Residency to keep regular accounts and to remit the income direct to the Amildar of the Bangalore Taluk. The Govt are of opinion that it is impossible that the management should be undertaken by the Amildar of the Bangalore Taluk, who will find no difficulty in employing

as a revenue settlement

Honble the Resident
has been addressed
on this point and
final orders will be

after getting a reply

Government Proceedings No. 2854—Muz. F. 1-99, dated 14th March 1904, calling for detailed information regarding the affairs of the Dharmarayaswami temple in the Bangalore City.

AND READ—

Letter No. 77—3374, dated 11th March 1905, from the Deputy Commissioner, Bangalore District, submitting a report on the above.

No. 3630—MUZ. F. 1-99, DATED BANGALORE, 1ST APRIL 1905.

ORDER THEREON.—The points observed in the Proceedings read above, and on which detailed information was called for, were,

(i) the non-submission of the monthly Muzrai Accounts of the Institution to the Taluk by the Dharmadarsees;

(ii) the maintenance or otherwise of proper accounts for the collections from the Inam lands situated in the Civil and Military Station;

(iii) the unauthorized enjoyment by the Dharmadarsees, of the Inam lands in the Hongasandra village, Bangalore Taluk;

(iv) the alienation of the lands in the Sampigehalli village of the same taluk;

(v) the utilization of the rents collected on a piece of land and two shops attached to the temple in the Bangalore City and of the kanikes, etc., from the devotees for the past ten years; and

(vi) the construction of a tower on the Mahadwara of the temple undertaken by the devotees without the sanction of Government.

2. As regards the first point, the Amildar explains that as there were no important Muzrai Institutions in the Bangalore Taluk, it was not usual to get the monthly accounts of the Muzrai Institutions in this Taluk for check in his office. This explanation is very unsatisfactory. The Amildar should be directed to insist in future upon the punctual submission to his office of the monthly accounts from all the Muzrai Institutions situated in his taluk.

3. As regards the second point, the Deputy Commissioner reports that the income from the * properties situated in the Civil and Military Station cannot be ascertained from the accounts; that the managers (Dharmadarsees) are reported to have been receiving what was paid by the shanbhog of the village; and that no accounts are maintained on either side. The negligence on the part of the shanbhog in this respect has already been brought to the notice of the Hon'ble the Resident, who was requested to give necessary instructions to the Amildar of the Civil and Military Station to obtain the accounts, etc, of the temple villages from the shanbhog and forward them to the Amildar of the Bangalore Taluk for careful scrutiny. The Collector of the Civil and Military Station states in his letter No. 1234, dated 3rd May 1904, to the First Assistant to the Hon'ble the Resident, that necessary instructions were issued to the Station Amildar to see to the early preparation and submission of those accounts. The Hon'ble the Resident will again be addressed on this subject.

*The entire village of Neelsandra and some lands in Dhookanahalli.

4. In regard to the third point, it is reported that 8 Survey Nos. in the Hongasandra village of the Bangalore Taluk have been in the unauthorized enjoyment of the Dharmadarsees Subbarayappa and Nanjegauda and two private individuals, *viz.*, Erappa Reddi and Guddaiya. As the Deputy Commissioner reports that all of them are now willing to deliver these lands to the temple, he is requested to take immediate possession of them and lease them out for kanlayam to the highest bidders.

The question of recovering from the persons concerned the assessment on these lands for the period of their enjoyment will be disposed of on receipt of information from the Deputy Commissioner as to the period of enjoyment by each individual and the amount that will have to be recovered from him.

5. As regards the fourth point, it is reported that, of the two Survey Nos. *viz.*, 3 and 27, No. 27 measuring 12 guntas and assessed at Rs. 2-8-0 has been alienated to one Sampannaiyana Nanjundappa, the alienors being Munisami, Balappa and Abhimanyu, the late pujaris of the temple. Of these three, only the last is reported to be surviving and the second is no longer a pujari, having been removed from the office, on account of leprosy. The present alienee is said to be one Dodda Nanjundappa, grand-son of the original alienee, and it is reported that a mantap has been built and a well sunk in this land at the cost of the alienee for the benefit of travellers. The Deputy Commissioner recommends that the descendants of the alienors having no sufficient means to redeem the lands back to the temple, and in view of the fact that the site is a small one, improved at considerable private cost for charitable purposes and no appreciable benefit can accrue therefrom to the temple, the present owner may be left undisturbed, obtaining from him a proper muchalika binding him not to appropriate the land for any personal use. This recommendation is approved.

6. As regards the fifth point, *viz.*, the utilization of the rents levied on the play ground and the shops attached to the temple and of the kanikes collected from devotees, the Deputy Commissioner reports that these amounts were brought to account and credited to the temple funds. No orders are therefore called for on this point.

7. As regards the receipts and disbursements of the temple funds, however, it is reported that no satisfactory accounts are available for the previous years; that the *Baki Patti* produced by the shanbhog of the temple shows a balance of Rs. 2,397-4-11 in favor of the Institution, but outstanding against the Dharmadarsees and others; and that the Amildar of the Bangalore Taluk will be made to institute a searching enquiry and submit a detailed report as to the correctness of this balance. Immediate enquiry should be made on the point, and a detailed report should be submitted at an early date.

8. With regard to the sixth point, it is reported that no subscriptions are being raised now for the construction of the gopuram or tower. The Deputy Commissioner promises to make a reference to the Executive Engineer, Bangalore Division, to give his opinion as regards the strength of the present foundation. His further report is awaited.

9. The Deputy Commissioner's suggestion to keep in future a *Kanike Dabbi* in the temple for devotees to put their donations in, and to have its contents examined and credited to the temple funds by the taluk authorities once a week, is also approved. From the Amildar's report to the Deputy Commissioner it is observed that proper arrangements have been made by him to maintain regular accounts in the temple in future and that a separate blank book with the taluk seal has been given to the Dharmadarsees for entering the collections made by them. These arrangements are approved.

10. As to the management of the temple affairs during the ensuing jatra, it is proposed that three of the existing Dharmadarsees, *viz.*, Subbarayappa, Nanjegauda and Munisami and two prominent Tiglars, *viz.*, patel Erappagauda and Duddappa, may be authorized to conduct the affairs conjointly under the direct supervision of the Taluk Amildar. This proposal is also accepted. The Deputy Commissioner is at the same time requested to report why the last two persons should not be formally appointed as additional Dharmadarsees, considering that they are reported to be prominent Tiglars, taking interest in the temple affairs.

11. As regards the collection of the rents due for the current and previous years from the Neelasandra and Dhookanahalli villages situated in the Civil and Military Station, the Hon'ble the Resident has been requested to direct the Station Amildar to collect all the outstandings and remit the amount to the Amildar of the Bangalore Taluk, as early as possible. It has, however, been suggested to the Hon'ble the Resident that if he has no objection, the Amildar of the Bangalore

Muzrai, dated 1st April 1905.

Taluk may be entrusted with the collection work, as representing the Inamdar temple and in the place of the Dharmadarsis who were hitherto making the collections His decision in the matter must be awaited.

12. With regard to the Deputy Commissioner's suggestion that the future management of these villages might be left in the hands of the Amildar of the Civil and Military Station, who may be requested through the Residency to keep regular accounts and to remit the income direct to the Amildar of the Bangalore Taluk, the Government are of opinion that it is preferable that the management should be undertaken by the Amildar of the Bangalore Taluk, who will find no difficulty hereafter as a revenue settlement into the Neelasandra village has recently been sanctioned The Hon'ble the Resident has been addressed on this point and final orders will be passed on the subject after getting a reply from the Residency.

13. The requisite arrangements for the approaching Karaga and Rathotsava festivals should be made at once by the Amildar of the Bangalore Taluk with the help of Dharmadarsees and other leading members of the Tiglar community referred to in para 10 above.

14. The Amildar of the Bangalore Taluk should be instructed to give particular and personal attention to the management of this temple and to see that its working is brought to an efficient condition at an early date.

Sir,

I am directed to acknowledge the receipt of your endorsement No. 1590/3436, dated 16th March 1905 forwarding a copy of letter No. 585 dated 9th idem, from the Collector C. & M. Station Bangalore and requesting the views of the Durbar-

i) in the matter of the Amildars of the Civil and Military Station and the Bangalore Taluk being appointed jointly to make a full enquiry into the affairs of the Dharmarayaswami temple in the Bangalore City and its endowments as suggested by the Collector, and 2) as regards the prayer of Subbarayalu and others that the collection of revenue of the temple lands in the C. & M. Station Revenue Authorities. As regards the 1st point, I am to state that the

mismanagement by the Dharmadarsis of the temple and its endowments situated both in the Bangalore City and in the C. & M. Station, having been brought to the notice of Government in 1903, the Deputy Commissioner of the Bangalore District was directed to make a thorough enquiry and the orders passed by Government on his first report were duly communicated to you for the Hon'ble the Resident's information in this Office letter No. 2855/M.F. 1-99 dated 14th March 1904. The Deputy Commissioner has since submitted a detailed report together with the records of the local enquiry held by the Amildar of the Bangalore Taluk, and orders have been passed this day thereon. A copy of the said order is herewith forwarded for the Hon'ble the Resident's information. From the order it may be observed that the allegations of mismanagement of the temple and its endowments by the Dharmadarsis have been already thoroughly enquired into and that steps have ~~already~~ now been taken by the Amildar to bring into account all the

collections from Kanikés received by the Dharmadarsis, to maintain regular accounts in the temple to be submitted periodically ~~to~~ and the Amildar to trasfer to the management of the Government the land endowments in Mysore Territory which are now unauthorized -ly enjoyed by some of the Dharmadarsis and others, and to appoint as Dharmadarsis the leading men of the several factions into which the sect of Tigiars has become unfortunately divided such Dharmadarsis working conjointly under the Amildar of the Bangalore Taluk. Except checking the accounts of the village of Nee sandra and of the lands in Dhookanahalli belonging to the temple and situated in the C. & M. Station, and of examining the previ ous 10 years' accounts of the temple maintain by the temple Shanbhogue with a view to see if any and what amount is actually outstand- ing against the Dharmadarsis and others as stated by the Shanbhogue, there seems to be nothing further to be done in connection with the temple for the present, the orders now passed being in the opinion of the

Durbar, sufficient to ensure the efficient management of the institution in future. The Deputy Commissioner has been instructed to direct the Amildar to push on with the enquiry on the latter point and as regards the former, I am to invite your kind refere to para 3 of this Office letter No. 2855/M.1-99 dated 14th March 1904 and to request that the village accounts therein referred to may be kindly caused to be forwarded early to the Amildar of the Bangalore Taluk.

3. In these circumstances there appe to be no necessity to appoint the Station Amildar and the Amildar of the Bangalore Taluk to jointly make an enquiry into the affairs of the temple, a full enquiry havi been already made by the last named Officer. Considering that the temple and most of its land endowments are situated in the Bangalore City and Taluk, that the large majority of its devotees reside there and that the important festivals of the Karaga and the Pathotsava are celebrated in the City, the Durbar feel that the requisite enquiries into the

alleged irregularities ~~of~~ in connection this temple come within the Province of the Bangalore Distric and Taluk authorities, and that the enquiry already made, the record of which is herewith forwarded for perusal and kind return, is sufficient. The two Amildars can certainl confer with each other on any material point and bring their views to the notice of their respective Governments. 4 As regards the 2nd point referred to in para(i) above , viz, the prayer of the petitioners that the work of collection of the temple revenue from the Neelasandra and Dhoobanahalli villages for the current ~~yera~~ year be undertaken by the Static Revenue Authorities, the Durbar are of opini that the Amildar of the Bangalore Taluk can be conveniently entrusted with the work, as representing the Inamdar temple, and in the place of the Dharmadarsis who were hitherto making the collections. That Officer will hereafter collect the revenues from the temple lands situated in the Bangalore Taluk, and it would be convenient if he were to collect the rents from the lands in the

with the Bangalore connected letter No 779 of in original returned.

If the Hon'ble the Resident has no objection to this course, the necessary orders will be issued to the D'y/Sr, but if otherwise, the Amildar of the C'ge Station may be directed to collect all the outstandings and remit the amount to the Amildar of the Bangalore Talk

C. & M. Station also. ~~The Deputy Commissioner of the Bangalore District has accordingly been directed to issue necessary instructions to~~ the Amildar of the Bangalore Talak to begin the collection on behalf of the temple, at once, and I am to request that, if the Hon'ble the Resident be pleased to agree with this view, you will be so good as to instruct the Amildar of the C. & M. Station, through the Collector, to give all facilities to the Amildar of the Bangalore Talak in the matter of collection.

5. The enclosures received with your endorsement under reply are herewith returned.

6. The favour of an early reply is requested.

I have etc,

Secretary.

Dated Bangalore, 3rd May 1905

SIR,

I am directed to acknowledge the receipt of Mr. Anantasami Rao's letter No.3631, dated the 1st April 1905, on the subject of the mismanagement of Nilsandra and other inam villages attached to the Dharmarayaswamy temple in the Bangalore City.

2. It is reported that the Shanbogue of the village has failed to maintain proper accounts and that it was with great difficulty and after long delay that the enclosed accounts were obtained from him. The condition of the D.C.B. accounts which relate to the year 1903-1904 is stated to be very unsatisfactory. The list of daily collections for the same year is signed by Nanje Gowda, one of the Dharmadarsis, in token of his having received the collections made In consequence of the various irregularities on the part of these two men Nanje Gowda, and the Shanbogue, which have been brought to notice by the Amildar, the Collector of the Civil and Military Station has ordered that the permanent Shanbogue should be require to name a suitable substitute for himself, the present Shanbogue Gumasta being removed from service. It would appear that this man has not maintained any accounts for the year 1904-1905.

The Resident has no objection to the proposal of

the Durbar to entrust the Amildar of the Bangalore Taluk with the wor
f collection of the rents from the lands in the Civil and Military
Station belonging to the temple.

4. The file of papers is herewith returned

I have the honour to be,

Sir,

Your most obedient servant,

First Assistant Resident.
